

October Half Term Home Learning

13th October 2025

The table below shows the October half term home learning tasks that students are due to complete over the upcoming half term (a task set by their subject teacher).

It is vital students complete the half term HL to ensure they are starting their mock series prepared to the fullest.

Students that do not complete their half term HL will be staying behind after school to complete it, this will be 1 hour after school each day until it is complete.
