Dear Parents and Carers, here's what has happened at EBA this week,

Food bank - Tooting Community Kitchen

A heartfelt thank you to our wonderful parents, students and staff. We are incredibly grateful for the generous donations made to the Tooting Community Kitchen. Your contributions have made a significant difference, and we cannot thank you enough for your support.

Your efforts will help provide meals and support to those in need within our community, showcasing the true spirit of kindness and solidarity.

Thank you once again for your unwavering support and generosity.

Arts Winter Showcase

This event celebrated all the hard work students completed in Art and Music lessons and in extracurricular activities with an art exhibition and music performances.

For many students, this was their first opportunity they've had to perform to an audience or to talk about

their work publicly – a fundamental element of all Creative Arts subjects.

We were delighted to have welcomed so many supportive parents to the showcase who came to support their son, as well as the other performers.

The Pines visit

We are thrilled to share that our students visited The Pines Care Home this week, where they had the wonderful opportunity to sing for the elderly residents.

This heartwarming trip not only brought joy to the residents but also helped our students develop their performance skills in front of an unfamiliar audience.

Performing in such a setting is an essential part of their artistic growth, and we are incredibly proud of their efforts and the positive impact they made.
