PRINCIPAL'S UPDATE

22nd November 2024 | Autumn

Dear Parents and Carers,

I hope you are well. Please see the latest updates and news from this week at our school:

Principal's breakfast

This week's Principal's Breakfast focused on the theme of Unity. The following students were recognised for their exemplary demonstration of unified characteristics such as teamwork, cooperation, and inclusivity. During the breakfast, engaging topics were discussed, and students had the chance to share what they feel is working well in school. They also had the opportunity to provide valuable suggestions for improvements. Well done to the following students:
Y7 Cairo , Y8 Zaki , Y9 Kerrel, Y10 Shah , Y11 Suleaman, Y12 Luana , Y13 Sivaindran

Geography trip

This week, our Year 11 students embarked on an exciting and part of their Geography GCSE coursework. This trip is a crucial component of their studies and will contribute significantly to their assessment.

The students had the opportunity to engage in hands-on fieldwork, exploring the geographical features of the river and its surroundings. This practical experience not only enhanced their understanding of the subject but also brought the classroom lessons to life in a real-world setting.

The trip was planned to ensure that students could make the most of this learning opportunity. They worked collaboratively, applying their theoretical knowledge to practical tasks, and gained insights that will be invaluable for their upcoming exams. It was a day filled with discovery, teamwork, and a deeper appreciation for the natural world.

Golden Tickets

Teachers are continuing to give out golden tickets for outstanding effort and persistent good work. Students are always pleased to receive these, and we gave out certificates in October to some of our top achievers. We will be giving out

more certificates in November and December, with some prizes also.
