RE: Autumn Mock Exams, 23rd February to 6th March

Dear Parent/Carer,

Year 13 will complete their second set of mock exams in the window from Monday the 23rd February to Friday 6th March.

Please find the timetable attached. The results will provide students and teachers with valuable information, supporting students to maximise the impact of their study time. These mock exams will set your child up for success as they prepare for their A-Level and BTEC public examinations. This period should be taken seriously as it will give you, your child, and their teachers a clear indication of where they are on their path to an excellent final grade.

During the mock period

- Students should be in school for the full day every day. **Attendance and punctuality during this period remain vital.** Please do not make any appointments for your son/daughter during this time. **Students who miss mock exams will be awarded a 0 mark for that exam as they would be in the summer exam series.**
- As your son/daughter completes their exams, they will return to their normal timetabled lesson.

You can help your son/daughter by making sure they have the full equipment they need for their exams. They will require:

- A **clear** pencil case with at least TWO Black Pens, pencil, eraser, sharpener, ruler, protractor and scientific calculator (depending on subject choices).
- A water bottle (this must be clear with no labels and contain only water).

Our mock exam regulations are very clear and detailed. Not following them can lead to disqualification. To avoid this, students must:

- Begin exam papers only when instructed to do so
- Switch off and hand in all devices, including mobile phones and watches, before the start of each exam. We advise that students do not bring these items in on assessment days.
- Follow the instructions given by staff inside and outside the exam hall.
- Not to communicate or distract other candidates during the examination.
- Stay in the exam hall under exam regulations for the duration of each examination (unless otherwise instructed).

How will this data be used?

After reviewing the achievement of your child's outcomes from the mock exams, we will do the

following:

- **Gap closing:** Once exams have been marked, teachers will begin the process of reteaching key content students got wrong in exams.
- **Independent learning:** Teachers will use the data gathered from mocks to inform what content to set as targeted work in the study centre in the new year

Exam periods can be very demanding time for students. We are working hard to prepare them as thoroughly as possible. If you are concerned about your child and wish to seek advice or support, please contact the school at sixthform@ernestbevinacademy.org.uk
