Dear Parent/Carer,

RE: End of Year 7 Exams, Monday 1st June – Friday 12th June 2026

Year 7 students will complete their end of year assessments from Monday 1st June to Friday 12th June. Please find the assessment timetable attached below. Students have already been informed of the content they will be assessed by class teachers.

These assessments are an important opportunity for students to demonstrate their learning and progress. This period should be taken seriously, as it will give you, your child and their teachers a clear indication of where they are on their journey towards academic success. It will also help identify strengths as well as areas for development, allowing both students and teachers to focus their efforts effectively.

During the Assessment Period

- As normal, students should arrive at school no later than 8:30am each day.
- Students are expected to remain in school for the full day, every day.
- Attendance and punctuality are vital during this period. Please avoid making appointments during this time, as students who miss an assessment will score 0.

Equipment Required

- You can support your child by ensuring they come fully prepared each day. Students will require:
 - A clear pencil case with:
 - At least two black pens
 - Pencil, eraser, sharpener
 - Ruler and protractor
 - Scientific calculator
 - A clear water bottle (no labels, water only)

Assessment Expectations

Our internal assessment regulations are clear and ensure fairness for all students. Not following them may lead to disqualification. Students must:

- Begin assessments only when instructed
- Switch off mobile devices and put away watches before each assessment
- Follow all instructions given by staff inside and outside the exam hall or classroom
- Not communicate with or distract other students during assessments
