RE: Set changes KS3 and year 10 – Key Information

Dear Parents and Carers,

Following the mid-year progress assessments completed with students in January, we are now reviewing class sets for Years 7, 8, 9 and 10 across the core subjects of Maths, English and Science.

These assessments provide valuable insight into each student's current understanding, progress, and learning needs, and they help us ensure that your son is placed in the group that best supports their continued development.

As part of our commitment to providing high-quality teaching and learning, some students may move to a different set after the February half term break. Any changes made are carefully considered by curriculum leaders and teaching staff, with the aim of placing students in the appropriate class where they can make the strongest progress and feel both challenged and supported. -quality teaching and learning, some students may move to a different set after the February half-term break.
