Ambition, Perseverance, Unity

1. Admissions

There is no charge for admissions.

2. Academy meals

There is no charge for children who are entitled to free academy meals. Pupils who are not entitled to free academy meals will be charged a set amount per day decided by the Local Authority, Caterer and agreed by the Trust or School Management.

3. Public examinations

There is no charge for examinations that are part of the curriculum and on the academy's set examinations list, where children have been prepared for the examinations by the academy.

There is no charge for examinations that are not on the set list but have been arranged by the academy.

There is a charge of the examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the academy (see Optional extras under section 5)

4. Activities that take place during academy hours (this does not include the break in the middle of the academy day)

There is no compulsory charge for activities during academy hours with the exception of music tuition (**section 8**), however as an academy we do ask for voluntary contributions for trips.

There is no charge for transport during academy hours to academy-organised activities.

We may charge for:

- *Books, materials and revision guides that the parent wishes the child to keep (the cost will be made clear to the parents before charge)*
- *optional extras (section 5)*
- *music or vocal tuition (section 8).*

5. Activities that take place outside of academy hours (non-residential)

There is no compulsory charge for activities that take place outside of academy hours when they are:

- part of the set curriculum, including sports games against other academy's
- part of the syllabus for a public examination that the pupil is being prepared for by the academy
- part of the academy's basic curriculum for religious education.

Optional extras:

The academy will charge for optional extras. These include:

- education provided outside of academy time that is **not**:
 - a) part of the National Curriculum
 - b) part of a syllabus for a prescribed public examination that the pupil is being prepared for at the academy
 - c) part of religious education
- examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the academy
- transport that is not taking the pupil to academy or to other premises where the local authority or governing body has arranged for the pupil to be provided with education.
- board and lodging for a pupil on a residential visit.

The cost of optional extras

The principal will decide when it is necessary to charge for optional activities, and the levels of charge will be set annually by the Principal on the recommendation of the Governing Body.

Any charge made in respect of individual pupils will not exceed the actual cost of providing the optional extra activity, divided equally by the number of pupils participating. In no circumstances will there be an element of subsidy required for any pupils wishing to participate in the activity whose parents are unwilling or unable to pay the full charge (**section 12**).

When calculating the cost of optional extras an amount may be included in relation to:

- any materials, books, instruments, or equipment provided in connection with the optional extra
- non-teaching staff

- teaching staff engaged under contracts for services purely to provide an optional extra, including supply teachers engaged specifically to provide the optional extra
- the cost, or a proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, where the tuition is an optional extra.

Participation in any optional extra activity will be on the basis of parental choice and a willingness to pay the charges. The academy will need to have the agreement of parents before organising the provision of an optional extra where charges will be made.

6. Activities that take place *partly* during academy hours either on or off site

Where the majority of a non-residential activity takes place during academy hours the charging of the activity will be the same as is outlined in **section 4**.

Travelling time is included in time spent on activity.

In cases where the majority of a non-residential activity takes place outside of academy hours the charge cannot include the cost of alternative provision for those pupils who do not wish to participate. So no charge can be made for supply teachers to cover for those teachers who are absent from academy accompanying pupils on a visit.

In this case the charging of the activity will be the same as is outlined in **section 5**.

7. Residential activities

Our academy will not set a compulsory charge for:

- education provided on any visit that takes place during academy hours
- education provided on any visit that takes place outside academy hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the academy, or part of religious education
- supply teachers to cover for those teachers who are absent from academy accompanying pupils on a residential visit
- travel costs where the residential activity is classed as being within academy hours
- residential activities that take place during academy hours.

Our academy will charge for:

Board and lodging

When any visit has been organised by the academy where there may be a cost for board and lodging, parents will be informed of this before the visit takes place. We will charge anything up to the full cost of board and lodging on residential visits, whether it is classified as taking place during academy hours or not. The charge will not exceed the actual cost. **Parents who can prove they are in receipt of certain benefits may be exempt from paying this cost** (see **section 11** for more guidance on remissions.)

Travel

Travel charges may apply when the residential activity takes place outside of academy hours. The amount charged

will be calculated to cover the unit cost per pupil. These charges may not apply to those pupils entitled to remissions, but no other pupils will be charged extra to cover those costs.

Activities

The academy may charge for residential activities that fall **outside** of academy hours (**see section 5**)

8. Music tuition within academy hours

Ernest Bevin Academy follows government legislation that states that all education provided during academy hours must be free; however, music lessons are an exception to this rule.

Charges will be made if the teaching is **not** an essential part of either the National Curriculum or a public examination syllabus being followed by the pupil(s), or the first access to the Key Stage 2 Instrumental and Vocal Tuition Programme (Wider Opportunities).

The academy may charge for teaching requested by parents and delivered by specialist tutors given to either an individual pupil or groups of any appropriate size (provided that the size of the group is based on sound pedagogical principles) to play a musical instrument or to sing. The cost of these lessons may depend on the size and duration of the class as well as the type of instrument.

The academy will not charge if the music tuition is part of the National Curriculum or public examination syllabus being followed by the student. This includes instruments, music books and exam fees.

Ernest Bevin Academy is dedicated to ensuring equal opportunities for all pupils including access to specialised music tuition, therefore charges made for music tuition within academy hours will be remitted for pupils eligible for the Pupil Premium funding.

There is no charge for vocal or instrumental tuition for children in care. This includes instruments, music books and exam fees.

9. Extended services

Ernest Bevin Academy is dedicated to providing a well-rounded and extensive education for our students which includes a wide range of extra-curricular activities (extended services). Extended services enable our academy to provide:

- high-quality learning opportunities either side of the academy day
- ways of intervening early when children are at risk of poor outcomes, e.g., by providing access to study support, parenting support or to more specialist services (such as health, social care or special educational needs services)
- ways of increasing pupil engagement
- ways of improving outcomes and narrowing gaps in outcomes between different groups of pupils.
- Breakfast Club (under current arrangements no charges are made whilst the funding is being provided via an external sponsor)

The total charge will not exceed the cost of providing the activity and no parent will be asked to subsidise others.

10. School Uniform

The academy requires that each pupil complies with the uniform policy. Currently the uniform is provided via an external supplier and parents and carers deal directly with this supplier. Where parents and carers request financial support for this cost they would need to qualify to the conditions under section 12. Where this support is authorised the school will deal directly with the supplier on behalf of the family.

11. Damage to property and breakages

Where academy property has been wilfully damaged by a student or parent the academy may charge those responsible for some or all of the cost of repair or replacement.

Where property belonging to a third party has been damaged by a pupil, and the academy has been charged, the academy may charge some or all of the cost to those responsible.

Whether or not these charges will be made will be decided by the Principal and dependent on the situation.

12. Remissions and concessions

The academy will give consideration to the remission of charges to parents or carers who receive the following support payments:

Benefit Type	Net Income Limit	Child Gets Free Meal?
Universal Credit (Targeted)	£7,400 or less	Yes
Universal Credit (Expanded)	Over £7,400	Yes
Child Tax Credit	£16,190 or less	Yes
Income Support / JSA / ESA / Pension Credit	N/A	Yes
Asylum Support (Part VI)	N/A	Yes

Children of families who receive these payments are also entitled to free academy meals. Parents who are eligible for the remission of charges will be dealt with confidentially.

The Principal and Chair of Governors will authorise the remission of charges.

The academy may choose to subsidise part or all of the payment of some charges for certain activities and pupils, and this will be determined by the governing body and Principal.

13. Voluntary contributions

The academy, academy governing body, or Local Authority may ask for voluntary contributions to the academy for general funds and/or to fund activities that will enrich our pupil's education.

In any case where an activity cannot be afforded without voluntary funding, this will be made clear to the parents by the academy. If the activity is cancelled all monies paid will be returned to parents.

There is no obligation for a parent or carer to make any contribution and the academy will in no way pressure parents to make a contribution.

Inability or unwillingness to pay

Ernest Bevin Academy is committed to ensuring fair access and treatment of all students, and this means ensuring that no child is excluded from an activity because the parents or carers of that child are unwilling or unable to pay. If there is insufficient funding for an activity, then it will be cancelled.

The identity of the child or parents of the child who did not want to make the payment, or could not make the payment, will not be disclosed under any circumstances.

14. Lettings or Rental Charges

All income from lettings must be credited to the school's trading account, out of which expenses are to be met. It is important to consider the VAT implication for each let as VAT may have to be added to the charge. See Schools Finance Guidelines.

To arrive at a charging-out rate, the school will ensure that all costs are taken into consideration and a checklist of the main items is provided below.

- a. Premises Manager Cost of opening and locking-up the school. Will enhanced hourly rates be used i.e. time and a half or double time for a Sunday.
- b. Cleaning - This may be a separate item that may need to be considered in addition to caretaking.
- c. Heat/Light - Calculation of cost i.e. hourly rates if appropriate.
- d. Water - If relevant
- e. Wear & Tear - Will depend on type of use. An on-cost will allow for earlier renewal.
- f. Wear/Damage Lettings are an extra use of the facility; consequently, extra wear to grounds might therefore require extra care and maintenance.
- g. Insurance - See Insurance Section in Schools Finance Guidelines. The school may wish to arrange "Public Liability Hirer/Provider's Insurance as cover, the cost could be passed on to the Hirer/Provider in the overall charge.
- h. Profit Element May depend on local competition.
- i. VAT - If applicable, see Schools Finance Guidelines.

Financial Administration

The school should send or hand to prospective Hirer/Providers the standard form, together with a copy of the conditions governing the letting of school premises. The form should be completed by the Hirer/Provider and returned to the school, together with evidence of adequate insurance (as defined in 1.8), child safeguarding procedures (including valid DBS certificates if applicable) and evacuation plans, for confirmation of both cost and that the let can take place.

Issuing Accounts

The school should invoice the Hirer/Provider before the letting takes place unless otherwise agreed with the Principal. Refunds for cancelled lettings can be made with a deduction for administration or loss of income if thought necessary. The school may consider invoicing a non-returnable deposit with the balance to be paid at a later date, although this method involves slightly higher risks.
